There are few who will need introduction to this wheel. It is a model peculiarly and exclusively our own. It is made for us as a special and leading feature, to compete with the best of the BATH BEACH, L. I. ........... Fort Lowery Hotel, A. P. \$60 mounts. Its price heretofore has been \$45.

It is the lightest wheel we sell,-we call it the road racer. It has the lowest crank-hanger drop of any wheel we handle,-three inches. The old-time Continent staunchness and solidity, that gave this wheel its reputation in past years, is of course maintained. It is the "flyer" of our wheel family, yet strong enough for any use. Thoroughly up to date, all flush joints, deep ram's

Hosiery
Matters

We hold a strong position
in hosiery and underwear
matters. Our touch with European manufacturers is so close and direct that it has decided elements of power in it, and as a whole our control of prices is masterful. It is all perfectly natural and comes simply of our con-trol of the largest retail outlets in the world. A comparison of prices should be made coincidently with a compari-son of the goods. We deal very sparingly in commonplace grades. Our qualities are generally ours alone.

Candies, Cheap THE special for toand Otherwise become a favorite through previous Saturdays. It is our own kind of Chocolate-covered Nougats, at 20c. a pound. That's a low money, if for any money. It will be hard to make better, for in these is used nothing but the very best of honey

gum arabic, egg white and almonds.

Pure goods, whatever the price. In that regard our 20c. candies are just as good as our 60c. goods. The only difference is in the fancy selection of materials, and in the higher-class workmanship employed in the higher grade candies. Both equally pure.
